Parent/Guardian name _____

Address _____

Phone _____

I understand that the SFYSA offers a limited number of EIP opportunities. A selection committee will review all applications and the best candidate(s) will be selected based on experience and demonstrated commitment to SFYSA programs.

A letter of recommendation must accompany your application from current and/or proposed teacher.

The list of what the SFYSA considers “endangered” in the northern New Mexico area changes depending on need and teachers’ availability. Please make sure that the instrument for which you are applying is on the current list, which may be obtained from the EIP page of our website:

<http://www.sfys.org/endangered.html>

Those students who are already playing an instrument on the endangered list are eligible for tuition financial aid along with all other SFYSA members. No instrument rental financial aid or private lesson financial aid is available to those students already playing an instrument on the endangered list.
